Power Centermount Footplate Extension Option

☐	400IE03	BOTH	Include 7.5" Powered footplate extension for transfer assist (Electronics programmed to allow footplates to be extended with or without legrest being raised.) Only Available with Powered Articulation	\$592.00
--------------------------	---------	------	---	----------

Memory Seating

SitSmarter Memory Seating allows for positions to be saved and then can be accessed with a single command, moving all related actuators at once to the preset location. Positions can be locked for clinical goals and have others unlocked for easily adjustable positions for comfort and functionality that can be adjusted by the user. Angles can be shown on screen to provide live feedback.
