

# EDUCATION IN MOTION

## Sunrise Medical Canada Inc.'s Cyber Series is now entering its **10<sup>TH</sup> YEAR!**

To celebrate this milestone, we have some exciting changes!

Webinars will be presented by members of the North American Clinical Education Team.

Webinars are CEU-certified. A Certificate of Attendance is available for those who do not require CEUs.

Webinar topics will be released 3 months at a time. Subscribe to our newsletter to stay up to date on new topic releases!

## Fall 2022 Schedule

### Fit, Function and Performance of Folding Frame Wheelchairs

**Presented by Sheilagh Sherman, BA, BHScOT, MHM, OT Reg. (Ont.)**

This one-hour session covers the essentials of how to recommend an appropriately fitted wheelchair based on client measurement, clinical presentation, and desired functional outcomes. The course content focuses on folding frame wheelchair configuration along with design elements to be considered specific to the individual.

### Clinical Considerations for Rigid Wheelchair Prescription

**Presented by Sarah Leonard, PT, DPT, ATP**

This one-hour session covers the essentials of how to recommend an appropriately fitted rigid frame wheelchair based on specific client body measurements, clinical presentation, and desired functional outcomes. The course content focuses on rigid frame wheelchair configuration along with design elements to be considered specific to the individual.

### Using Tilt Bases for Pressure, Posture, Function, and Participation

**Presented by Jessica Presperin Pedersen, OTD, MBA, OTR/L, ATP/SMS, FAOTA, RESNA Fellow**

This one-hour session provides an overview of how tilt wheelchairs can be used to enhance pressure distribution, posture, function, and participation. It will discuss decision making criteria to determine why a specific tilt base would be chosen and what angles could be used to meet goals.
